

BOURBON WHISKEY & SPIRITS

OUR STORY

‘More Bourbon in More Places’

In 2019, L. Eddie Smith relocated from Kentucky to Lithuania for a leadership role with a Danish company. Surprised by the lack of bourbon availability, he teamed up with his brother, Steve Smith, co-owner of The Bourbon Barrel Tavern. Recognizing demand for craft bourbon in Europe, they founded **Kentucky Exports LLC and Bourbon Kings** with their very simple mission statement: More bourbon in more places.

GOT BOURBON?

Through local Kentucky support on both ends, we tirelessly and aggressively represent our portfolio to discerning European consumers.

BOURBON KINGS

At Bourbon Kings, we take pride in importing only **the finest Kentucky bourbons and flavored whiskeys from the USA** to Europe.

We focus primarily on importing high-quality bourbon, but we also import other goods related to the bourbon industry.

It's important to note that we do not sell our products directly to consumers, but rather operate as **a business-to-business wholesaler.**

Our goal is to provide our clients with access to top-quality products that they can then sell to their own customers.

PODOLE WIELKIE

The history of Podole Wielkie dates back to the **15th century**. From the beginning of its existence until World War II, the estate belonged to German families. Then it was taken over by the state, and a state farm was established in its place. With the change of regime, its current owners managed to lease and then buy the entire farm.

‘The distillery where we create our products has over **150 years** of tradition. It has always been an integral part of the farm.’

OKOWITA

Okowita is a vintaged product, produced analogously to the terror philosophy, but there is more to it. It's an essence of Podole Wielkie, a small village in the northern Poland.

'Brighton Gin was born of a passion for gin, and a passion for the place where we live and play – we wanted to create a gin that embodies the Spirit of Brighton: unusual, playful and fiercely independent.'

A close-up photograph of a glass of Brighton Gin. The glass is filled with ice and a clear liquid, garnished with a lime wedge and a sprig of rosemary. The glass sits on a dark, textured surface, possibly a bar counter, with several other lime wedges scattered around. A copper bar spoon is visible in the foreground. The background is softly blurred, showing more limes and a metal shaker.

BRIGHTON GIN

BRIGHTON GIN 40%

Brighton Gin 40% Pavilion Strength is our original hand-made craft British gin.

Clear and bright in the glass, the subtle notes of juniper and persistent hints of orange make this gin gentle and approachable.

This multi award-winning gin is a favourite in a classic G&T or as a base for a range of cocktails.

PAVILION STRENGTH

This is a subtle, ruminative gin and, thanks to its softness, Brighton Gin is also delicious sipped neat, over ice with a slice of orange. Brighton Gin's botanicals include **lime, milk thistle and locally grown coriander seeds**. It's also 100% vegan and gluten free!

BRIGHTON GIN 57%

Juniper is the star attraction but there's a cascade of **zesty citrus on the nose with hints of candied orange, a whisper of pine and spice too.** It's rich and creamy in the mouth and deliciously satisfying when swallowed, with no hint of burn. The waves of citrus finish go on forever, backed by an exhilarating underlying seaside freshness.

At 57% proof, it also holds the juniper flavour better and enhances the botanicals, which means you need less gin in your glass to get that refreshing juniper flavour really pushing through to your taste buds.

SEASIDE STRENGTH

A true sipping gin, our **Seaside Navy Strength Gin** is best served neat over ice or half and half with your favourite tonic and a wheel of lime. It's also highly versatile in a range of cocktails. means you need less gin in your glass to get that refreshing juniper flavour really pushing through to your taste buds.

BRIGHTON GIN 43%

This is a special, very **limited edition** run for Brighton Gin's 10th Birthday this year! We make it by using the remainder of our "naked" (i.e. peeled) oranges that we're left with once the zest has gone into our regular distillation.

These oranges get sliced up, dehydrated to caramelize the sugars and then redistilled to create a beautiful marmalade flavour, and further our goal of saving waste at the same time!

JAMMY ORANGE

This is a proper jammy but still London Dry style gin with a long finish; slightly higher **ABV of 43 %** to catch all those citrus-y flavours.

Our Raspberry Crush pairs Brighton Gin with **lip-smacking English raspberries and Sicilian lemons**, refreshingly ready to drink, ideally served over ice with a sprig of lavender, if you're feeling fancy.
